The above-identified application was officially accepted under 35 U.S.C. §371 on September 8, 2005. The Notice of Acceptance indicated that a declaration was filed on April 13, 2005; however, the declaration was not submitted with the original filing. Examiner Wallace contacted the Applicant's undersigned attorney on September 1, 2005, requesting submission of an Application Data Sheet, which the Applicant filed on that same day via facsimile transmission. The Examiner further indicated that \$65 would be credited to the Applicant's attorney's PTO Deposit Account.

Since the declaration was not filed originally, enclosed herein is a signed declaration/power of attorney by the Applicant, citing the U.S. filing date, U.S. serial number, and corresponding PCT international serial number. In the event the \$65 fee is due, please charge any additional fees or underpayment of fees, or credit any overpayments, to Deposit Account No. 50-3494.

Respectfully submitted,
